ISAB Monthly Board Meeting  
Tuesday, February 9, 2016  
6:00-7:00 p.m., Student Org Room 104 International Center

Attendees: Krittika Onsanit, Masnoon Majeed, Sugandh Gupta, Javier Cifuentes Garzaro, Seoyoung Jang, Brenda Zhu

Student Interviews
Krittika sent the list of student leaders of UR cultural and international organizations to Yao, Sugandh, Sara, Andrew and Brenda to reach out to conduct individual interviews about integrating international students with different student groups on campus.

Student Potluck Dinners
Members discussed having 1-2 pizza parties during the semester as OIE has a $300 food budget that has not been used. There was some debate over location (the Web, Gateway, or UFA) and it was decided that UFA 1900 and 1901 could work as more than 1 apartment would be needed. Members could have sign-ups with Google Docs and keep the gathering to about 10 people per apartment to make it interactive and foster conversation. Each apartment could register a party – one with alcohol and one without. There was a question about what kind of students to invite – student leaders, RAs, CAs, or targeted groups of study abroad students and it was decided to have a French theme and invite prospective students who want to study in French-speaking countries since Sugandh, Javier and Masnoon studied abroad in France and already know some French speakers on campus. We discussed inviting Cercle Francais members, French exchange students and some returned study abroad students from French-speaking countries but keeping the focus on prospective study abroad applicants to French-speaking countries since the other types of students will be leaving campus soon.

Upcoming Meetings & Events
- ChinaFest, Feb. 11-14, International Commons
- Global Music Series, Feb. 16, 7:30-9:00 pm, International Commons
- Fulbright Kickoff Event, Feb. 18, 5:00-6:30 pm, International Commons
