Upcoming Meetings & Events
- Upcoming ISAB Meetings:
  - Tuesday, 4/5, 6:00-7:00 pm, Student Organization Room 104, International Center

Follow up on plans for pizza party and student interviews

Sugandh has been conducting student interviews as part of one of her class requirements, and has met with the Interfraternity Council on Greek life and Pan Hellenic, which are both receptive to more connections with the international student community. PanHellenic has weekly meetings that ISAB members should be attending and ISAB will invite representatives to its meetings in the fall. Instead of doing a French-themed pizza party, Masnoon and Sugandh will invite Greek representatives to Masnoon’s apartment so that ISAB members can host them informally and discuss ways to collaborate. The date is Friday, March 25th at 8 p.m. unless the Greek members can’t make it, in which case the alternate date is April 8th.

Recruitment for new ISAB members

ISAB members should reach out to students they know who would be interested in ISAB and encourage them to apply by the March 31st deadline. ISAB members who are not leaving and want to serve on the Board again need to submit a new application for the 2016-17 year. We discussed whether we should open Board membership to U.S. students or have the Board composed of all international students, and decided to reserve 1-2 spots for U.S. students as having such students would further ISAB’s goals of integration with the domestic population. Krittika will send members the recruitment email and applications materials for members to forward to their friends and create a folder on Box so members can view applications before the next meeting, which will be used to select new Board members.

Presentation to Student Development Leadership Team

Krittika will be conducting an intercultural training for the Student Development Leadership Team on Thurs. Mar. 31, 10:30-11 a.m., THC 348. Sugandh and Masnoon will be available to present.
